DEPARTMENTAL NEWS & AWARDS

Welcome to the Spring 2012 installment of the Geography Department e-newsletter. This newsletter represents a number of firsts. It is the first electronic newsletter issued by the department, the first newsletter of any kind since December 2009, and my first opportunity to greet you as the head of the Department of Geography.

We welcome your feedback and reviews on this electronic newsletter. Thank you for taking time to catch up on what is going on in Athens and Geography. We want to be able to reach out to as many of you as possible, and we hope you enjoy learning about the success and achievements of our faculty and students. Please know that we would enjoy having you visit the department if you are back on campus.
