The Department of Mathematics at the University of Georgia invites applications for three tenure-track positions at the rank of Assistant Professor beginning in August 2016. Duties will consist of research and teaching in mathematics, as well as the usual ancillary departmental responsibilities of a faculty member. A Ph.D., or equivalent foreign degree, in Mathematics or a closely related field is required. Successful applicants will carry outstanding credentials in mathematical research and demonstrate a commitment to excellence in teaching and mentoring undergraduate and graduate students. Review of applications will begin November 2, 2015, and will continue until the positions are filled.

To apply, please submit a vita with a list of publications, a teaching statement, a statement about your research, and at least four letters of recommendation, through mathjobs.org. One of the letters should address the candidate’s teaching skills. In addition to the mathjobs application, the University of Georgia requires all applicants to register through the University of Georgia employment portal https://facultyjobs.uga.edu/. These specific positions are identified by the quicklinks http://facultyjobs.uga.edu/postings/402. If possible the letters should be submitted online at mathjobs; however, if necessary they may also be sent by ordinary mail to:
