ANALYTICAL CHEMISTRY FACULTY POSITION

The University of Georgia Department of Chemistry invites applications for a tenure track faculty position in Analytical chemistry, commencing August 1, 2019, at the level of Assistant Professor. All areas of analytical chemistry, broadly defined, will be considered. Competitive applicants will have a strong research record, demonstrate creativity in their research plans, and exhibit a commitment to teaching at the graduate and undergraduate levels. A Ph.D. in chemistry or related field and at least one year of postdoctoral experience are required. Candidates should submit a cover letter of interest, curriculum vitae, concise statements of research and teaching plans and arrange for at least three letters of recommendation to be submitted. The application materials must be submitted electronically (http://www.ugajobsearch.com/postings/31250). Applications received by November 13, 2018 will receive full consideration. The University of Georgia is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, ethnicity, age, genetic information, disability, gender identity, sexual orientation, or protected veteran status. Persons needing accommodations or assistance with the accessibility of materials related to this search are encouraged to contact Central HR (hrweb@uga.edu). Please do not contact the department or search committee with such requests.
