

Tenure-Track Assistant Professor Position in Statistical Data Science
Department of Statistics
University of Georgia

The Department of Statistics at the University of Georgia invites applications for a tenure-track position at the rank of assistant professor in the area of statistical data science, starting August 1, 2021. Applicants must have a Ph.D. degree in Statistics or a related discipline by the time of appointment. Scholarly credentials should reflect a strong commitment to research and teaching in the statistical aspects of data science and show demonstrated potential in research and instruction. The successful applicant will be expected to develop a research program that will be competitive for external funding, be engaged in the activities of the department, and play a major role in building the University's missions in research and teaching. We are also committed to building a diverse faculty.

To apply for the position, candidates should visit <https://www.ugajobsearch.com/postings/179840> and provide all of the requested information, including contact information for three references. At this site, candidates should also upload a cover letter, a curriculum vitae, a research summary statement that highlights an interest in and contributions to the statistical aspects of data science, a statement on teaching philosophy, and an unofficial copy of the graduate school transcript. **Review of applications will begin on January 22, 2021**, and continue until the position is filled. For more information about the department and the university, please go to <http://www.stat.uga.edu>. Questions about this search should be directed to the Department Head, Dr. T.N. Sriram, at tn@uga.edu.
